January 25, 2017

Dear Customer:

International Products Corporation's (IPC) products have been formulated to comply with global environmental and safety regulations and standards. Some of the measures taken by IPC are listed below:

Regulation

REACH – Regulation 1907/2006

IPC is scheduled to complete full registration of all ingredients subject to REACH regulation by June 2018. No ingredients are listed on the Candidate List of Substances of Very High Concern pursuant to Article 59 (10) as of 17 Dec 15.

RoHS – Restriction of Hazardous Substances 2011/65/EC

None of the products manufactured by IPC contain the ingredients listed in the RoHS Directive, including lead, mercury, cadmium, Hexavalent Chromium, PBB, and PBDE as intentional ingredients. Metals' analyses are available upon request.

ELV – End-of-Life Vehicle Directive 2000/53/EC

No hazardous substances are used in IPC Formulations

Conflict Materials

No gold, tantalum, tin or tungsten are used.

Animal Feedstock

No raw materials are from animal sources.

Global Harmonization System of Classification and Labeling Chemicals (GHS)

Safety Data Sheets and labels comply.

IPC is certified to **ISO9001:2008**.

IPC Products include:

Cleaners:

LF2100®, Micro-90®, Micro®A07, Micro® Green Clean, Surface-Cleanse/930®, Zymit® Low Foam, Zymit® Pro

Lubricants:

P-80® Emulsion, P-80® Emulsion IFC, P-80® Grip-it, P-80® RediLube, P-80® THIX, P-80® THIX IFC

Best regards,

Thomas McGuckin
